**“We Were Country . . .
When Country Wasn’t Cool!”**

**Produced by:
McLaurin Annual
McLaurin Attendance Center
Florence, Mississippi**

Our theme “Country Tigers” was chosen so that we could play up the fact that we attend a “country school” in the “sticks” and that we’re proud of it! We think we have the best of both worlds; we live close enough to the Jackson Metropolitan area to get there in less than thirty minutes. When we come home we leave the heavy traffic, noise, pollution, and congested areas for the peace and beauty of the country life.

It is evident that people from all walks of life are beginning to appreciate the value of country living. For instance, country music is gaining in popularity every day, people are dressing country, and decorating even the big city mansions with country collectibles. We hear that “city people” have to take “a drive in the country” to relax. All we have to do is sit in a rocking chair on our front porch and we have green grass, blue skies, beautiful meadows, and trees within our sights. What could be more relaxing than that?

Through the pages of this book you will notice we use slang expressions, colloquialisms and, at times, poor grammar. Our attempt is not to make fun of anyone or of anyone’s lifestyle, but to affectionately imitate the ways of country life while at the same time create lasting and wonderful memories of this school year for the students here at McLaurin.

We hope you enjoy it, we enjoyed working on it.

I WAS COUNTRY WHEN COUNTRY WASN'T COOL

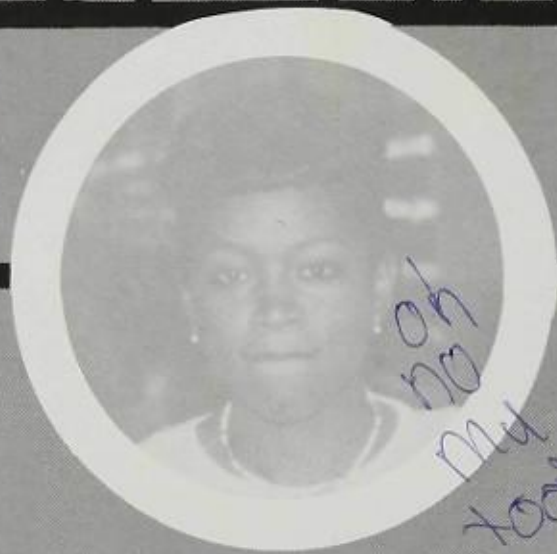

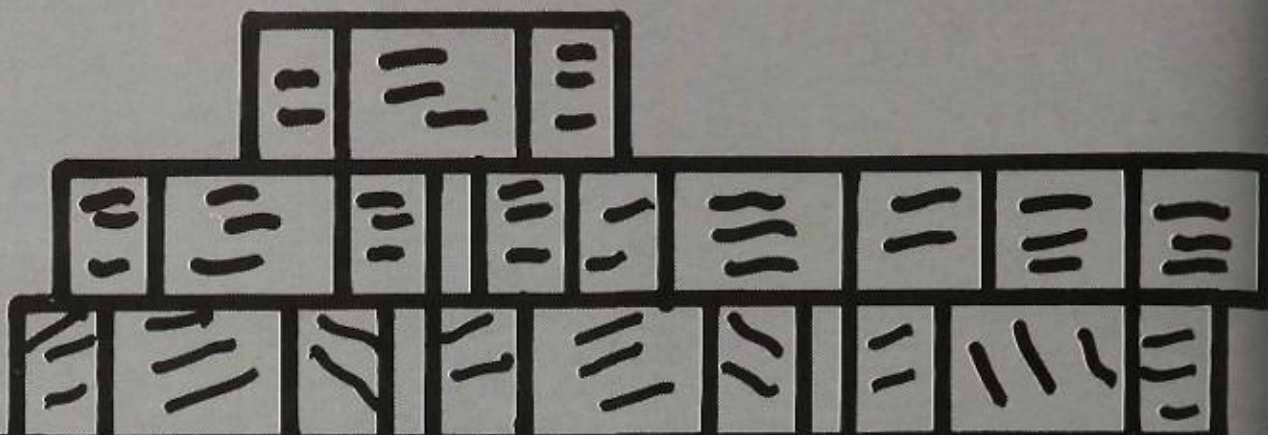

I remember wearing straight leg Levi's, flannel shirts even when they weren't in style. I remember singing with Roy Rogers at the movies when the west was really wild. I was listening to the Opry when all of my friends were digging rock 'n roll, rhythm, and blues. I was country when country wasn't cool. Oh, I was country from my hat down to my boots.

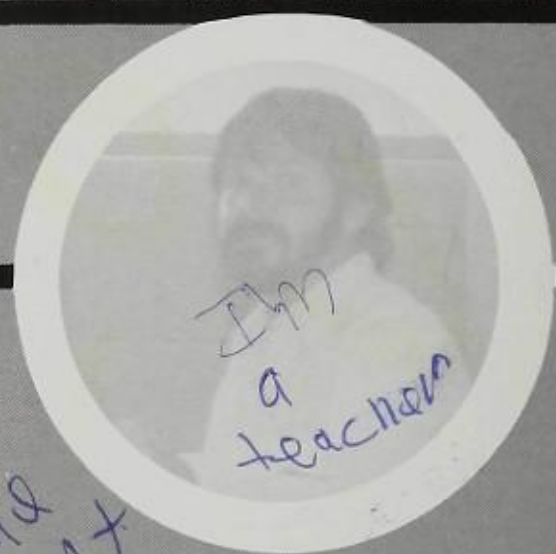

THE COUNTRY

I remember sitting in the drive-in, pulling up and turning down George Jones. I remember when no one was looking, I was putting peanuts in my Coke. I took a lot of kidding 'cause I never did fit in. Now look at everybody trying to be what I was then. I was country when country wasn't cool.

“Kountry Kickers”

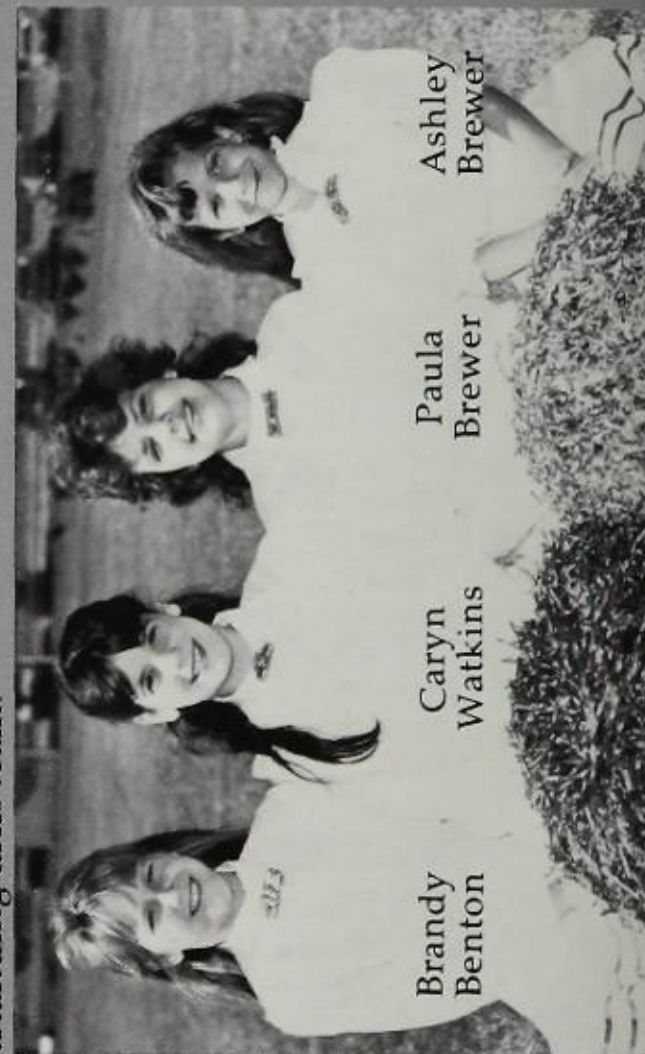

The McLaurin Show Stoppers

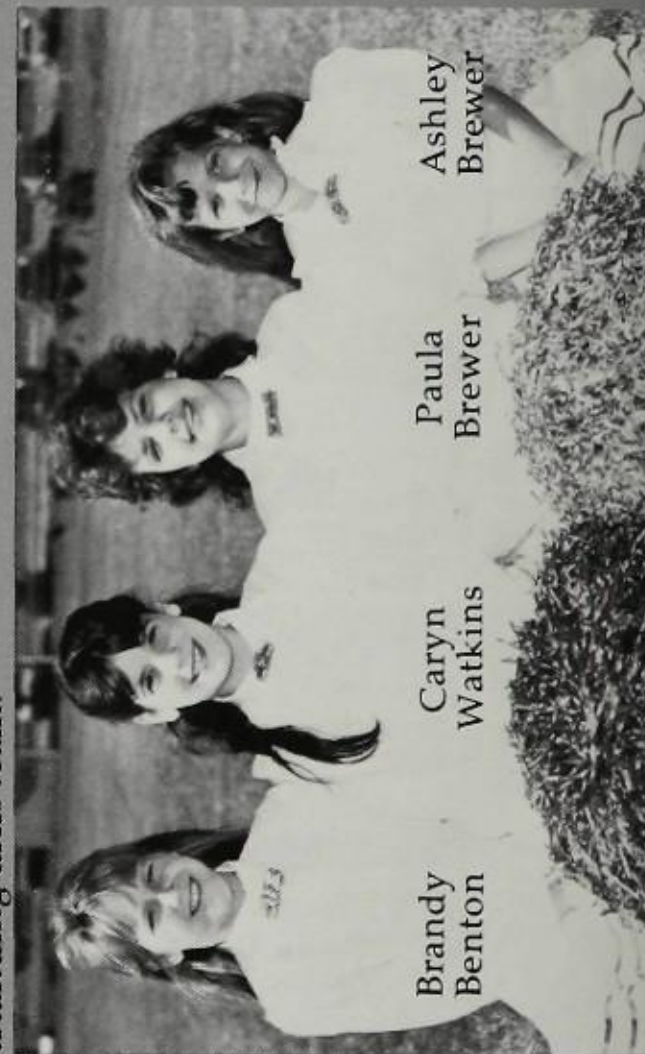

The 1984-85 Showstoppers were quite a show this year. At camp this past summer, they received an outstanding rating. Through hard work and dedication they placed 3rd over all (props and settings) at the Mississippi State Fair. Attending parades along with the McLaurin Band, the Showstoppers received first place twice. Performing in several shows during football half times and pep rallies — the "Showstoppers" were an outstanding drill team.

Tiger Mascot

Cheerleading is lots of hard work. It's being part of the team. It's having to accept responsibility and find out what responsibility means. A cheerleader needs enthusiasm and confidence in her ability, because she is leading a crowd. She is the symbol of intality, a never ceasing interest. A love and a devotion, a strong will to do for others. These constitute a cheerleader's emotions. Cheerleading is an honor, an honor meant to share; learning to try once again; working for hours; going through stiffness and aches. Wondering if you can improve, realizing the work it takes; helping others to know the joy of working together as one. Showing the importance of never giving up, until a victory's been won. Being proud of the position you hold, caring about your team. Facing a world full of opportunity.

That is what cheerleading means.

"Dé Tigers in Action"

High School Football Team

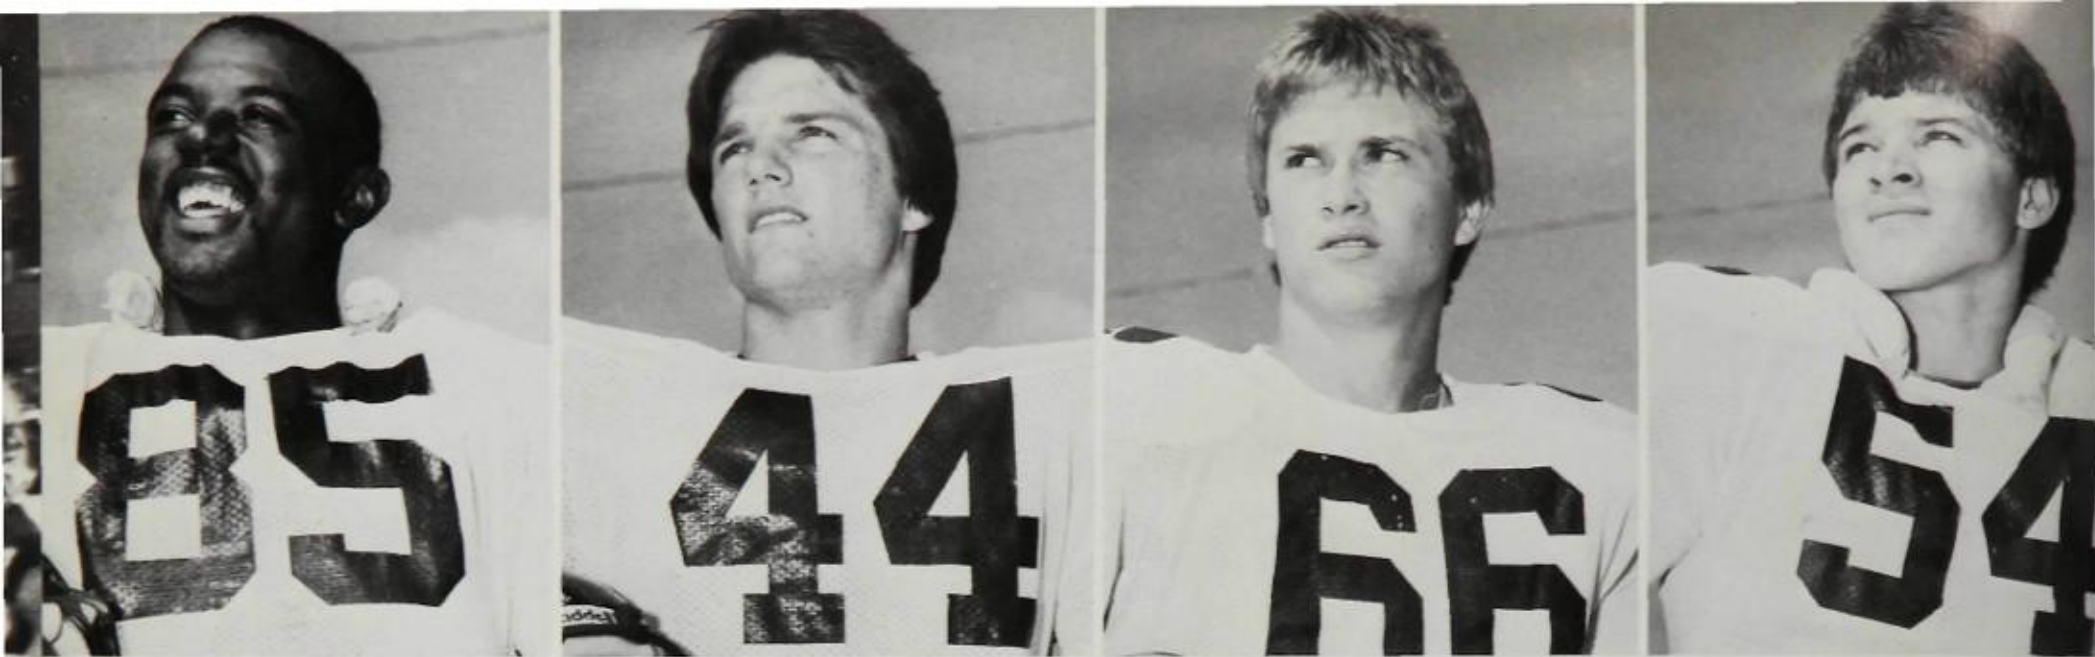

Pictured above with the team are coaches: Charlie Butts, J. C. Cole, Wayne Rogers, and Terry Brister, head coach. The managers are #6 Matt Wheatley, #65 Lee Benton, #40 Pete Abel, #14 William Pittman, and #8 Scott Lee.

These Tigers had a very successful season winning 8 out of 10 games. As a result they were invited to play in the "Mid-State Bowl" against Raymond at Florence. Not only did McLaurin have to battle Raymond for the title but, also the elements. To say it "rained" is putting it mildly. Despite everything, McLaurin won the title 21 to 18 in the final minutes of the game and to top it off Jeff Walker was named Best Offensive Player.

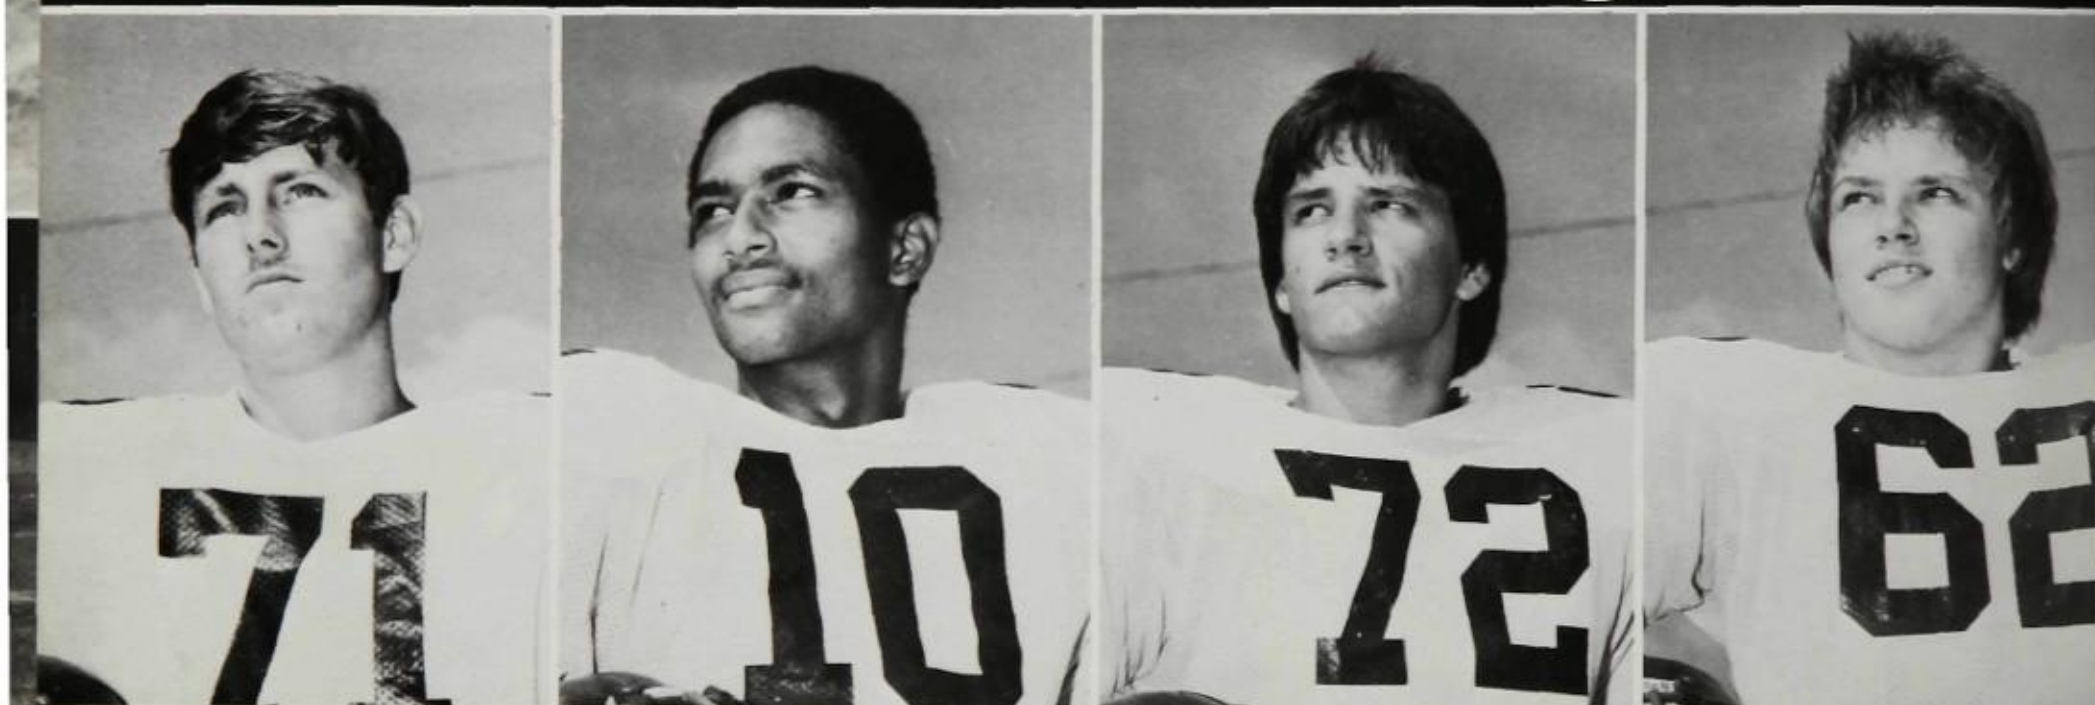

The annual staff wishes to congratulate the players and the coaches on a job well done.

Baseball Team

Tigers Go to "State"!!!

The 1984 McLaurin High School baseball team, coached by Charlie Butts, had a very successful season. They were 17-10 overall and 9-1 in district play. They won the district and this qualified them for an invitation to the South Mississippi Tournament where they finished second. This enabled them to go on to the state tournament where they finished fourth.

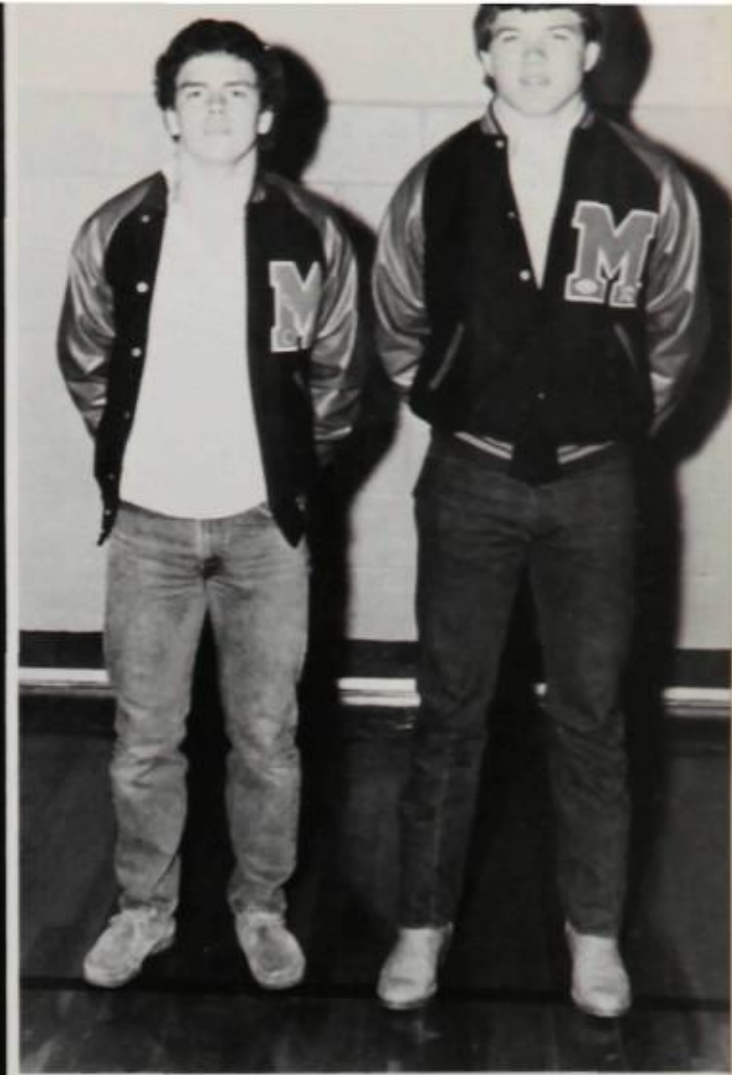

In addition to the players pictured were graduating seniors Al Ainsworth and Dennis Wilson. Coach Butts and the team hopes the 85 season will be even more successful.

Dat's All Folks — Dis Em It — Dar Ain't No Mo'

But we sho nuf had ahootin, tootin, knee slappin, jamborin; goot time puddin' togetter dis here book for you all. It was lotsa hard work — but, wif de help of some mighty fine folks witch we sho'preciate — we think we done a purty good job!

Seriously, we are proud of the "TIGER 85" and we hope you enjoy it now and for many years to come. It is also our hope that you have taken our theme "Country Tigers" in the spirit which it was intended.

We would like to give a special thanks to the following people who have helped us in different ways during the year: Mr. Webb Shivers who allowed us to use his beautiful farm to make our who's who pictures, Mr. Stanford, Mr. Buck, Mrs. Benton, Mrs. A. Brewer, Mrs. L. Brewer, Mrs. Gann and the Sr. Beta Club, Mrs. Annajerald Knight, Mrs. Poynor, Mrs. Purvis, Mrs. Watkins, Mrs. Wheatley, and the P.T.O. and the many others who helped us.

It is hard for us to believe that we have finally completed the job, we began last April, when we attended the Taylor Yearbook Seminar at Millsaps: The one day event gave the new members of our staff a chance to see what they had to look forward to, and also some of what we had to dread, like quad-paks, gutters, bleeding, etc. It also gave us all an enthusiasm which has helped us through the tough times.

We did the actual planning for the book in June when we attended the four day "Yearbook Workshop" at the University of Southern Mississippi in Hattiesburg. We had a good time at the workshop, but we also learned a lot and got a lot of work done. At the banquet held the final day we received one of six Superior awards for the work we had done on our yearbook. Needless to say we were thrilled, especially since we were competing against schools of all sizes from all over the state.

Along with the great satisfaction we feel having completed this annual, there is a note of sadness because it brings us closer to the time that five of the six members of our staff graduate. But, we all will remember this year as being special because together we took one thought "play up the fact that our school is in the sticks and it's great" and we developed it into the "Tiger 85."

Jason

Angel,

You are my very best friends & I just know we are going to have fun with Jason. I just know we will have luck because of all the 'jokes' we have been having. Don't you wish we had the merrie to kiss Jason? I do! Boy I do! Don't you miss Kenneth? I do! I wish I had the merrie to have kissed him or sat on his lap, like being his. I hate that you know what I do. I hope you have luck in the future. Like with Boys? Well Bye!
